ILEAnet

The ILEAnet project invites you to its final Public Workshop:

ILEAnet and the EU security Research & Innovation landscape: Achievements and way forward

6 and 7 April 2022

ONLINE EVENT

(IN PERSON FOR ILEANET MEMBERS)

KEY OBJECTIVES

- What are the ILEAnet results and how can they contribute to the current thinking of the EU R&I landscape in security?
- What are the key benefits and opportunities offered by a Network of Practitioners?
- How to build on the ILEAnet experience & maximise the future impact of a Network of Practitioners?
