**eLearning Africa** is the key networking event for ICT enhanced education and training in Africa. Bringing together high-level policy makers, decision makers and practitioners from education, business and government, **eLearning Africa 2017** will take place from 27 - 29 September in Port Louis, Republic of Mauritius. Serving as a pan-African platform, the eLearning Africa conference is a must for those who want to develop multinational and cross-industry contacts and partnerships, as well as enhance their knowledge, expertise and abilities. **eLearning Africa** takes place in a different African country each year, and the conference languages are English, French and Arabic. **eLearning Africa** attracts education professionals, investors and providers of education and training.
